The Billionaire's Blackmailed Heiress- 2012 To give her mother her dying wish Mina Lane must deal with the enigmatic and dangerously seductive Nikos Dupris. Only he can give her access to the Villa her father and mother shared while her mother was the mistress of Nikos' hated step-father. He however is in need of help himself, help that only Mina can provide and using her mother's situation blackmails her to save his business. Both distrust

the other, yet can they fight the growing attraction they are trying so hard to ignore. Exert "No...no...this will not happen" he had eventually bitten out before finally turning to face Mina, who had managed to pull herself back into a sitting position, her hair still mussed, her lips red from their kiss, her beautiful eyes full of so many different emotions. His voice had been angry, accusing as he had rounded on her. "I know what you are up to Mina, and do not believe me as stupid as my step-father. I have no intention of inheriting his daughter as my mistress. That seems to be the way the women in your family work, but I am not about to become your next meal ticket". Staring back at him with complete disbelief on her face, Mina had leapt to her feet, her hands balled, fury pushing the pain of loss from her. "You arrogant egotistical jerk" she had cried at him, her eyes now full of an anger which burned so brightly in her small face. "How...how dare you! I want nothing to do with you or your entire damn family. You kissed me...I didn't ask you to" seeing as he had given a small pfft noise, as he had moved closer to her "Yes very clever, the poor distressed damsel act, what else was I to do?". Looking at him with complete disbelief she had glared at the man before her, her body still tingling from his kiss. "My God Nikos, it really, really eats you up that you are attracted to the daughter of a man you so despised doesn't it?" He had frowned, seeing as she had raised her chin defiantly at him. "Well that is your problem not mine, I will be out of your hair soon enough". A shadow of pain crossing her eyes as her voice had broken slightly, her anger the only thing keeping the tears from once more sliding down her face "so just stay the hell away from me". With that Mina had

turned from him, as her hands had moved protectively around herself feeling the tears once more rising to her eyes, her new found bravado slipping as the conflicting emotions of fear and sorrow and anger had washed over her. For several seconds there had been silence, before in a softer quieter voice he had spoken "So what do we do about this attraction we have Mina?" Giving a small half-laugh full of no mirth she had raised her head to stop the tears spilling over "Your problem Nikos...not mine. I want nothing to do with you. Now just leave." His hands on her shoulder turning her around had been firm, and his eyes had blazed down at her full of such fire. "Liar" He had spoken, as his mouth had once more descended to take her lips, his hands moving around her waist to haul her hard up against him. Mina had wanted to fight him, to push him from her, but the moment their bodies touched she had been lost, her arms flying around his neck to deepen the kiss.

Arranged-R.K. Lilley 2019-04-23 "I didn't read this book, I devoured it. Arranged marriage

is one of my favorite tropes and RK Lilley completely blew it out of the water. Arranged is angsty, sexy, and heartbreaking. Immediately adding it to my future re-read list. Banks is my new favorite alpha bully." Claire Contreras, New York Times Bestselling Author "Fatally beautiful. Gut-tightening intensity. Off the charts sexual chemistry and a love story unlike any other. You will devour this tale by RK Lilley and only want more." Audrey Carlan, #1 NYT Bestselling Author "Classic RK Lilley with all the angst, steam, and edginess she does so damn well. I loved it!" Kylie Scott, NYT & USA Today Bestselling Author "Some books are simply better than others. This is one of those books. Calder Banks Castelo is a jerk of epic proportions. Jerk-a-licious perfection. Banks and Noura together light the pages on fire. Sensual, angsty, exquisite. Don't miss it." Jana Aston, New York Times Bestselling Author There were rules in the cash-for-beauty game. The money held the power. The beauty followed the rules and jumped through the hoops. THE BRIDE I knew what everyone would think if they knew the truth about my marriage. They'd be shocked and appalled. And rightly so. I was a young, modern, independent woman, and I'd done the unthinkable. I'd sold my virginity to a spoiled, rich boy. To a stranger who didn't love me. And yes, I'd done it all for money. THE GROOM My bride was as gorgeous as she was unwelcome. As desirable as she was unwanted. I wanted nothing to do with her, but that didn't seem to matter exactly the second she got close enough to touch. I wanted her to hate me more than she loved the millions she'd sold herself for. I wanted to spurn her, but unfortunately, I wanted to f*ck her more. ARRANGED is a standalone erotic romance.

Lucky Jim-Kingsley Amis 2012-10-02 A hilarious satire about college life and high class

manners, this is a classic of postwar English literature. Regarded by many as the finest, and funniest, comic novel of the twentieth century, *Lucky Jim* remains as trenchant, withering, and eloquently misanthropic as when it first scandalized readers in 1954. This is the story of Jim Dixon, a hapless lecturer in medieval history at a provincial university who knows better than most that “there was no end to the ways in which nice things are nicer than nasty ones.” Amis’s scabrous debut leads the reader through a gallery of emphatically English bores, cranks, frauds, and neurotics, with each of whom Dixon must contend in one way or another in order to hold on to his cushy academic perch and win the girl of his fancy. More than just a merciless satire of cloistered college life and stuffy post-war manners, *Lucky Jim* is an attack on the forces of boredom, whatever form they may take, and a work of art that at once distills and extends an entire tradition of English comic writing, from Fielding and Dickens through Wodehouse and Waugh. As Christopher Hitchens has written, “if you can picture Bertie or Jeeves being capable of actual malice, and simultaneously imagine Evelyn Waugh forgetting about original sin, you have the combination of innocence and experience that makes this short romp so imperishable.”
