The Glass Castle-Jeannette Walls 2006-01-02 Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

I've seen a lot of things living in Vegas. Hell, I've done a lot of things. But one thing I've never witnessed is a beautiful brunette, hitchhiking her way into the city, wearing a wedding dress. Until now, that is. Brynne Adams is running away from a broken heart. She expected a lot of things from her wedding day but finding photos of her fiancé and maid of honor and best man in a compromising position wasn't one of them. And I'm absolutely certain she never imagined she'd end up marrying me, the stranger that rescued her from the side of the road that day. Our quick nuptials may have been the result of a drunken joke, but I soon realize that love can be found in the most unlikely of places if you just stop and take a chance.

The Empire Strikes Black-Anthony Defiore 2016-06-07 City Council President Joseph Coolman was pissed. His eyes were filled with vinegar, bile, rage you name it! I mean hotter than Marge Tartaglione on a bad day... "I promise you on the grave of my father that I will destroy that son of bitch!" scowled Joe Coolman as he sipped his Hennessy. He was sitting in the dark of his City Council President Office firmly affixed in his big leather chair. He slowly rocked back and forth. He was like a cobra. Ready to pounce. Maybe like a panther. But not moving too quickly. This one would take a little time. "Big Blarney my ass," he spoke to himself. And a patient man he was.... NOT A HAPPY BREAKFAST Democratic Party Unity Breakfast, Philadelphia, Pennsylvania. Bellevue Stratford Hotel. No matter how bad the political war or election, primary or general, the eggs get scrambled together into an omelet. They meet the day after the election to make peace. To unify. To continue to solidify the dominant political party again no matter what. Philly is a Democrat town. No ifs, ands, or cannolis about it. With a 7 to 1 voter registration advantage in the fifth largest city in the country (No, Philly didn't drop to lower than 6th or 7th nationally except maybe in the National League East). In terms of voter advantage, not even Frank Rizzo could switch over that Democrat number to Republican. Not even half would do it for the Bambino these days. With a voter lead like that, Johnny Bouchee and The Democratic Party of Philadelphia County / City of Philadelphia had "fuck you

votes." He didn't need shit from anybody to win a general election by 4 or 5 to one in November even if the roof fell in or Rizzo appeared in the clouds over Boathouse Row. But this past primary created a lot of bad blood. A lot. The cuts went deep, and the screwing was of blarney and booze. The good of it, for Johnny Bouchee, was The Irish retook the City politically. It had been a while. But Johnny and Bobby Eamon were sitting pretty these days. They were smirking a great deal as the sun glimmered in those Irish Eyes. But like I said, this one cut deep. There was gonna be a price to pay. This Democrat's Unity Breakfast needed a lot of salve and bandages to heal. Salve? They needed more than that! They needed morphine and transplant organs to heal this trauma. The road to recovery went through the heart of North Philadelphia. The reason for it was simple. The African American Political Hierarchy took more than a haircut as James Francis Malloy became the Democratic Nominee for Mayor of Philadelphia. In truth, they got scalped. And the blood was all over Johnny Bouchee's and Bobby Eamon's hands. It happened like this every primary election. It was lick the wounds day and make peace and give respect to the vanquished over cold eggs and scrapple. In fact, Johnny Bouchee had been doing this breakfast for decades... but not today. Today, the rift was a little too big to manage over a breakfast, and Johnny knew it. It was bloody and ugly. A bad cut above the eye. The Philly Democrats looked like Rocky Balboa's face.

Actual Air-David Berman 2003 Released in paperback in 1999 by the now-defunct Open City and praised everywhere in the then-ascendant print press industry (including names that still make waves today like The New Yorker and GQ), David Berman's first (and only) book of poetry was and is a journey through shared and unreliable memory. Uncannily inspired, Berman's poems walk through doors into rooms where where one might hear "I can't remember being born / and no one else can either / even the doctor who I met years later / at a cocktail party" (from "Self-Portrait at 28"), or praise "the interval called hangover / a sadness not co-terminous with hopelessness" (from "Cassette Country") and "that moment when you take off your sunglasses / after a long drive and realize it's earlier / and lighter out than you had accounted for" ("The Charm of 5:30"). At that time, Berman was called a modern-day Wallace Stevens and a next-wave John Ashberry, with his own logic, awareness of pop culture and sensitivity to the details of the post-postmodern world in his poems. Alongside his lyrics to a half-dozen infamous Silver Jews records, Actual Air endeared Berman to lovers of poetry, prose, and music alike. Poet James Tate said it best: "It is a book for everyone." And poet laureate Billy Collins could only add, "This is the voice I've waited so long to hear." The second edition of the hardcover version of Actual Air is limited to 1000 copies. Features of the second edition are: new larger dimensions and enlarged typeface, new dustjacket artwork variant, deluxe cloth boards, updated full-color endpapers, dust-jacket featuring a photo of the artist around the time of publication, and of course the poems that inspired all this fuss in the first place.

All the Gallant Men-Donald Stratton 2016-11-22 THE FIRST MEMOIR BY A USS ARIZONA SURVIVOR: Donald Stratton, one of the battleship's five living heroes, delivers a "powerful" and "intimate"* eyewitness account of Pearl Harbor and his unforgettable return to the fight At 8:10 a.m. on December 7, 1941, Seaman First Class Donald Stratton was consumed by an inferno. A million pounds of explosives had detonated beneath his battle station aboard the USS Arizona, barely fifteen minutes into Japan's surprise attack on American forces at Pearl Harbor. Near death and burned across two thirds of his body, Don, a nineteen-year-old Nebraskan who had been steeled by the Great Depression and Dust Bowl, summoned the will to haul himself hand over hand across a rope

tethered to a neighboring vessel. Forty-five feet below, the harbor's flaming, oil-slick water boiled with enemy bullets; all around him the world tore itself apart. In this extraordinary, never-before-told eyewitness account of the Pearl Harbor attack—the only memoir ever written by a survivor of the USS Arizona—ninety-four-year-old veteran Donald Stratton finally shares his unforgettable personal tale of bravery and survival on December 7, 1941, his harrowing recovery, and his inspiring determination to return to the fight. Don and four other sailors made it safely across the same line that morning, a small miracle on a day that claimed the lives of 1,177 of their Arizona shipmates—approximately half the American fatalities at Pearl Harbor. Sent to military hospitals for a year, Don refused doctors' advice to amputate his limbs and battled to relearn how to walk. The U.S. Navy gave him a medical discharge, believing he would never again be fit for service, but Don had unfinished business. In June 1944, he sailed back into the teeth of the Pacific War on a destroyer, destined for combat in the crucial battles of Leyte Gulf, Luzon, and Okinawa, thus earning the distinction of having been present for the opening shots and the final major battle of America's Second World War. As the seventy-fifth anniversary of the Pearl Harbor attack approaches, Don, a great-grandfather of five and one of six living survivors of the Arizona, offers an unprecedentedly intimate reflection on the tragedy that drew America into the greatest armed conflict in history. *All the Gallant Men* is a book for the ages, one of the most remarkable—and remarkably inspiring—memoirs of any kind to appear in recent years. *Library Journal
